

# WE GET HOPE AND STRENGTH ARE GAME CHANGERS.

Like achieving success on the gridiron, tackling childhood cancer is a team effort. At times, the journey to the end zone may seem impossible, but it is within those moments — where we push past adversity — that we find the strength to battle for every inch.

That's why CDW teamed up with Make-a-Wish Illinois, Chicago Bears and the Chicago Sun-Times for **Tackle Cancer**, an initiative that grants the wishes of children diagnosed with a critical illness.
